- b. Identifying areas in which better coordination of the agencies’ activities would be beneficial;
- c. Exploring ways to enhance the agencies’ economic indicators to make them timelier, more accurate, and more specific to meeting changing demands and future data needs;
- d. Improving the means, methods, and techniques to obtain economic information needed to produce current and future economic indicators; and
- e. Coordinating, in its identification of agenda items, with other existing academic advisory committees chartered to provide agency-specific advice, for the purpose of avoiding duplication of effort.

The Committee meets once or twice a year, budget permitting. Additional meetings may be held as deemed necessary by the Under Secretary for Economic Affairs or the Designated Federal Official. All Committee meetings are open to the public in accordance with the Federal Advisory Committee Act.
